Thanksgiving Food Baskets for Salvation Army

At Christ Church a food signup sheet is on the glass table in the parish house hallway. At St. Barnabas a food signup sheet is on the table inside the front door. Please check the list at your site to see what foods and quantities are needed, after your name enter the number of items you are purchasing, and bring those items on November 10 or 17. On Wednesday, November 20, the outreach committee will take inventory of what has been donated and what the outreach committee needs to purchase to complete the baskets. The outreach committee will have all food set up in the classroom at Christ Church and in the kitchen area at St. Barnabas on November 24 for those who want to help fill the baskets immediately following the services. The Salvation Army will pick them up on Monday, November 25.

Second Sunday Supper

All are welcome to join us at 6:30 p.m., November 10, at St. Barnabas for turkey, sweet potato casserole, white potatoes, cranberries, salad, and whatever else you decide to bring.

Meet Our Missionaries: Talley Breedlove, Young Adult Service Corps

An update from Talley Breedlove, a member of the Young Adult Service Corps (YASC) serving in the Philippines:

Here in Santiago, Philippines, I am working with multiple organizations. The majority of my time is spent with E-CARE which is an Asset-Based Community Development organization run by the Episcopal Church of the Philippines partnering with community associations. While in the office with E-CARE, I have been working on learning more about the issues facing the communities where we work, planning Bible studies, and learning the local language, Ilocano.

A lot of E-CARE's work is done out in the communities. Currently, we are leading trainings on visioning and goal-setting in order to enhance their process towards self-reliance. To start the visits, I am leading Bible studies focused on trusting God and being members of Christ's body. I also get to meet and talk with locals about their experiences with E-CARE. I am interviewing members of the associations with the goal of putting together case studies.

When I am not with E-CARE, I am with the loan organizations and cooperative run by the diocese. There I am learning about the operations of these organizations and financial management. I also go on community visits with them to collect payments as well as to introduce the cooperative to new communities.

Why did you choose to serve as a YASCer?

I applied to YASC at a time when I was frustrated trying to figure out the next big step forward after college. I knew my goal in life was to serve others and I also knew God was calling me to serve the Church, but a clear path was not appearing. My church's deacon and a retired priest both mentioned volunteer opportunities within the church. My bachelor's degree is in Global Studies, I studied abroad multiple times, and I have an interest in cross-cultural understanding so the idea of serving abroad made more sense to me than serving domestically. I applied, still unsure if I was ready for YASC and whether it was the right fit for me. At the discernment retreat, I learned how the staff work to place volunteers in placements that interest them. I also learned about a lot of placements that would provide me with skills and experiences that interested me. Those factors, along with the feeling that I would be sent with a network of support, convinced me that YASC was the right fit.

How can we pray for you and the people you work with?
