Our Retreat Leader

*"Graced"*

According to ancient Greek mythology, there were three Graces, representing joy, charm and beauty. We take our inspiration for this retreat not from the three Greek graces, but from three Christian saints, who were themselves abundantly graced by God.

Our guides for this journey are Hildegard of Bingen (1098-1179), Mechtilde of Magdeburg (c. 1207-1297) and Julian of Norwich (1342-1420?). Obviously they lived in centuries very different from our own. However their devotion to God and distinctly feminine outlook have much to say to Christian women of every generation.

This retreat will focus on three specific ways of being graced: the grace of giftedness, the grace of suffering, and the grace of relationship with God. Our three medieval guides have a lot to say on these subjects. We expect to learn from them, and from each other, this weekend.

**Retreat brochures with the registration form and more information are at Christ Church in the hallway outside the office and at St. Barnabas near the front door.**
