## Backpack Blessings

As we complete another year of Backpack Blessings, there are many people who made the program a success! During the school year from September to June, we shopped for, packed and delivered 2,812 packs of food. Also, a number of parishioners supported the program with generous donations. We were able to serve two sites this year because of the increase in funds. Seventy-six children from the two Head Start locations took home nutritious snacks every weekend of the school year. Thanks to the many volunteers at Christ Church and St. Barnabas, we were able to help 76 families.
